DAY TRIP

The Weiner Museum of Decorative Arts

Join us for a guided docent led tour of contemporary art followed by lunch on site. An optional candle-making class is available after lunch.

WMODA is a unique art space with a mission to showcase and preserve a world-class collection of ceramics and glass, celebrating the creativity and technical brilliance of artists both locally and globally. It aims to entertain, educate and inspire the local community and a global audience by connecting them to the stories, cultures and craftsmanship behind the fired arts, ceramics, pottery and glass.

WMODA is dedicated to the beauty and technical brilliance of art made with fire. The museum's Fired Arts galleries offer an immersive experience, challenging the traditional perceptions of decorative art.
