Join us at The Bunker Artspace for a curated docent tour featuring contemporary art, iconic furniture pieces, and cultural memorabilia. After the tour, enjoy lunch on your own at Café Med.

Bunker Artspace is a private contemporary art space in West Palm Beach, Florida, showcasing rotating exhibitions from the Beth Rudin DeWoody Collection. It opened in December 2017 as a private venue presenting curated selections from Beth Rudin DeWoody's extensive contemporary art collection. The building, originally a 1920s toy factory and later a WWII munitions armory, now houses hundreds of artworks displayed through seasonal installations.
